## Responsibilities of chairs and discussants at the CPSA Annual Conference

The **CHAIR** is responsible for monitoring the entire session. The success of a session often depends upon the **CHAIR's** ability to restrict the time of speakers' presentations and temper the discussions from the floor in order to allow sufficient time for inter-action within the presentation. Some of the most important responsibilities of the **CHAIR** are to:

Open the session at the scheduled time and set the context with a few brief introductory remarks;  
Introduce the participants before their presentations;  
Maintain strict time limits for each speaker and discussant;  
Moderate panel or floor discussions; and,  
Adjourn the session in time to allow the room to clear before the next session begins.

The **CHAIR** should also announce that the audience is requested not to smoke. **CHAIRS** are requested to report (session number and name(s)) any no shows to the Association section head.

In sessions where discussants are expected to prepare comments in advance, the **CHAIR** has the option to drop from the programme any author not submitting a copy of his/her presentation to the appropriate discussant one month before the meeting.

**DISCUSSANTS** are to prepare, in advance, appropriate analytical or critical commentaries of the significance and contribution of the papers presented in a session. Time constraints on the length of the discussions are established by the chairs. **DISCUSSANTS** are under no obligation to comment on papers they have not received prior to the meeting.

## Responsabilités des présidents et des commentateurs lors du Congrès annuel de l'ACSP

[Dans le présent document, le masculin est utilisé comme générique dans le seul but d'éviter d'alourdir le texte.]

Le **PRÉSIDENT** est responsable du bon déroulement de chaque séance. Le succès d'une séance dépend souvent de l'aptitude du **PRÉSIDENT** à limiter la durée des exposés et des interventions des personnes dans la pièce de façon à donner à chacun l'occasion de s'exprimer. Les responsabilités plus importantes du **PRÉSIDENT** sont les suivantes :

ouverture de la séance à l'heure prévue et brève introduction;  
présentation des participants avant leurs communications;  
respect du temps imparti à chaque conférencier et commentateur;  
animation des discussions; et,  
levée de la séance à l'heure fixée afin de libérer la pièce pour la séance suivante.

Le **PRÉSIDENT** doit également annoncer qu'il est interdit de fumer.

Les **PRÉSIDENTS** sont tenus de signaler toute absence d'un conférencier à une séance (en précisant le numéro de la séance) au coordonnateur de la section concernée.

Pour les séances où des commentateurs sont censés préparer à l'avance leur analyse, le **PRÉSIDENT** peut à son gré annuler la participation de tout auteur qui n'aurait pas soumis un exemplaire de sa communication aux commentateurs, un mois avant la séance.

Les **COMMENTATEURS** doivent préparer à l'avance des commentaires analytiques ou critiques pertinents sur les communications présentées lors des séances. La durée des discussions est déterminée par le président. Les **COMMENTATEURS** ne sont pas tenus à commenter des communications qu'ils n'auraient pas reçues avant la séance.

## Responsibilities of presenters at the CPSPA Annual Conference

**PRESENTERS** should prepare comments outlining the major points of their papers. A good presentation is a must for a successful session.

Oral Presentation. Listed below are some guidelines for preparing an oral summary of a paper:

a) *No paper should ever be read verbatim from the text.* Such presentations are often not only dull but also incomplete due to time constraints imposed by the chair; an author reading from text may be cut off by the chair before reaching the most significant aspects of the presentation. Highlights may be given covering such points as purpose of the study, description of the sample, methodology, problems, major findings, conclusions, or recommendations. The amount of time devoted to each highlight may vary depending upon the author's evaluation of the importance of each area related to the paper.

b) Inexperienced extemporaneous speakers are advised to prepare a "reading text" of approximately 5-7 typed pages.

Distribution of Papers. **PRESENTERS** in sessions which have been assigned to discussants must forward copies of their papers to the session chair and the discussants no later than one month before the meeting. Failure to do this will likely result in the chair excluding the presentation from the session. Further, the discussant has no obligation to comment on the paper if it has not been previously seen. Such an action would be a loss to all attending the session.

**PRESENTERS** of round table are requested to bring copies of their papers or summaries of their projects to the sessions. Doing so will enable participants to discuss the topic more effectively.

## Responsabilit s des conf renciers lors du Congr s annuel de l'ACSP

[Dans le pr sent document, le masculin est utilis  comme g n rique dans le seul but d' viter d'alourdir le texte.]

Les **CONF RENCIERS** doivent pr parer un document qui regroupe les points saillants de leurs communications. Une bonne pr sentation constitue la base d'une s ance r ussie.

Pr sentations orales. Vous trouverez ci-dessous quelques directives qui vous aideront   pr parer le r sum  oral d'une communication :

a) *Ne jamais lire une communication mot   mot.* De telles pr sentations sont souvent monotones. De plus, le temps imparti  tant limit , l'auteur qui lit son texte sera souvent interrompu par le pr sident avant d'avoir atteint le point crucial de son expos . Il est pr f rable de donner les grandes lignes : but de la recherche, description de l' chantillon, m thodologie, probl matique, principales observations, conclusions ou recommandations. Le temps allou    chacun de ces points peut varier selon l'importance que l'auteur leur attribue.

b) Il est conseill    tout conf rencier inexp riment  de se pr parer un texte de 5   7 pages dactylographi es.

Distribution des communications destin es aux commentateurs. Les **CONF RENCIERS** sont tenus de soumettre un mois   l'avance un exemplaire de leurs communications au pr sident de la s ance ainsi qu'aux commentateurs. Tout **CONF RENCIER** qui ne se conforme pas   cette exigence risque de voir sa communication exclue du programme. En outre, un commentateur qui n'aurait pas re u dans les d lais un exemplaire de la communication n'est pas tenu de pr parer un commentaire; les personnes assistant   la s ance en seraient ainsi priv es. Tout **CONF RENCIER** participant   une table ronde doit apporter avec lui des exemplaires de sa communication ou des r sum s de sa recherche afin de favoriser une discussion plus fructueuse.

## Responsibilities of delegates at the CPSPA Annual Conference

Delegates are asked to follow the rules set by the host university (i.e. smoking regulations), to refrain from conversing in the hallways outside of the presentations, and to refrain from leaving

sessions early, that is, before all presenters have presented (i.e. change of language of presentation).

### **Responsabilités des délégués lors du Congrès annuel de l'ACSP**

On demande à tout délégué d'obéir aux règlements établis par l'université hôte (p. ex. les aires de fumeurs), à refréner de discuter dans les couloirs près des pièces de présentations et à refréner de sortir des séances tôt, avant que tous les conférenciers aient présenté leur communication (p. ex. changement de langue de présentation).

## SESSION 6A/PÉRIODE 6A

18h30 - 20h00

SUNDAY JUNE 8/DIMANCHE 8 JUIN

Room/Pièce SN2109

### SPECIAL SESSION/SÉANCE SPÉCIALE: CROSS BORDER REGIONALISM/LE RÉGIONALISME TRANSFRONTALIER

The participants will deal with both the problems and challenges associated with continentalism and regional integration in North America. In an era of NAFTA and Super-regions in Europe, there is a need to explore the prospects for strengthening ties among subnational actors in North America. The participants will discuss the contradictory dynamics of continental and regional integration.

Les participants se pencheront sur les problèmes et sur les défis que représente l'intégration continentale et régionale en Amérique du Nord. Dans le contexte actuel de l'ALÉNA et des super-régions en Europe, il importe d'analyser la consolidation éventuelle des liens qui unissent les intervenants infranationaux d'Amérique du Nord. Les participants discuteront de la dynamique contradictoire de l'intégration continentale et régionale.

**PLENARY SESSION/SÉANCE PLÉNIÈRE: FEDERALISM AND SOCIAL POLICY IN AN ERA OF DECENTRALIZATION/LE FÉDÉRALISME ET LA POLITIQUE SOCIALE À L'ÈRE DE LA DÉCENTRALISATION**

The participants will address the question of national standards in Canada and the future of the Canadian social and political union. With increased pressure for the devolution of power, there is a need to discuss what impact this will have on public policy and national unity. The participants will deal with such things as: What are the political, economic and social reasons for national objectives and are they still feasible? What is the relationship between devolution and decentralization?

Les participants mettront en lumière la question des normes nationales au Canada ainsi que l'avenir de l'union politique et sociale au pays. Vu la pression accrue dans le sens d'une redistribution des pouvoirs, il est impératif de discuter l'impact que cette redistribution aura sur la politique publique et l'unité nationale. Les participants traiteront des questions telles que les suivantes : quelles sont les raisons politiques, économiques et sociales qui sous-tendent les objectifs nationaux? ces raisons restent-elles plausibles? quel est le rapport entre la redistribution des pouvoirs et la décentralisation?
